June 22, 2021

Dear SPIRITT Community Member,

We are excited and look forward to reconnecting with you in person. Your health and safety are top priority as we are reopening face-to-face services during the decline of the COVID-19 pandemic. SPIRITT will begin to welcome participants at our SPIRITT Family Centers effective July 1, 2021, with some limited outdoor activities beginning June 15th. However, SPIRITT will continue to offer hybrid services (online/virtual and face-to-face office or in-home) depending on program and County requirements. We are here to support you and will be as responsive as we can to your needs.

For your safety and those of others, please stay home if you feel sick, even if your symptoms are mild. Do not go to work, school, or public areas, and do not use public transportation if you are ill or have COVID-19 symptoms. At this time, all indoor activities at a SPIRITT Family Center will require that you continue to wear a face covering regardless of vaccination status (includes vaccinated and unvaccinated individuals). Health screenings will also be conducted before entering the facility. Outdoor activities do not require face coverings if social distancing is available.

SPIRITT Family Services has the right to make changes to services, as needed. Please contact your SPIRITT worker or Program Manager with any questions or for further information.

To learn more about Los Angeles County Reopening Safer at Work and in the Community visit <http://publichealth.lacounty.gov/media/coronavirus/reopening-la.htm>. For all general SPIRITT inquiries, please contact us at (855) 714-8800 or by email [info@spiritt.org](mailto:info@spiritt.org). We apologize for the inconvenience and appreciate your understanding. See you soon!

Sincerely,

*Elvia Torres*
